

28/9/18

Dear Foundation Stage
Parents,

Just to remind you all the bright colourful bags have arrived. These are used to keep spare clothes in at school and store jumpers/ PE trainers rather than leaving them on the floor.

Please note they are not to go home. Each key worker group has their own colour:

Monkeys: Orange

Lions: Green

Dolphins: Blue

Penguins: Yellow

A couple of parents have asked about how to collect dirty clothing but if we have had to change your child we will let of course let you know and send any dirty clothes home in a nappy sack. A spare change of clothes is also essential if the children get wet in the water or fall over outside.

We are also running really low on girls knickers aged 4-5 so any donations would be greatly appreciated.

A final reminder, please can toys/dummies from home stay at home because in such a busy classroom they can so easily get lost. We have plenty of lovely things to play with in school!

Many thanks,

Foundation Stage Staff
