Dear Parents/Carers,

We are proud and delighted to announce that we will soon be a National School Breakfast Programme School. From 10th December, **ALL** pupils across the school will receive a free bagel on their way into school each day. This is part of a new DFE scheme which is supported by the charities, *Family Action* and *Magic Breakfast* and will run for approximately four terms before it is reviewed.

Breakfast is the most important meal of the day and research has proven that a wholesome breakfast improves children's concentration and ability to learn and we are delighted to have been accepted as part of this scheme.
