

Thursday 18<sup>th</sup> April, 2024

Dear Parents and Carers,

I am thrilled to share with you the findings from our recent Ofsted inspection, in which our school has been awarded a 'Good' judgement. This achievement is a reflection of the collective commitment and hard work of our children, staff, governors and supportive parent community.

The Ofsted report provides us with many reasons to celebrate. I would like to share some of the highlights that stand out as particularly praiseworthy:

**Positive School Environment:** Our children enjoy coming to school, evidenced by their strong relationships with staff and peers. They are confident, well-mannered, and engage politely with visitors, creating a welcoming and respectful school atmosphere.

**Ambitious Academic Standards:** The report commends our high aspirations for all students, including those with special educational needs and/or disabilities (SEND). Our school's focus on personal, social, and emotional support has been instrumental in contributing to our pupils' academic success.

**Emphasis on Reading:** We are particularly proud of our emphasis on reading. Our pupils make regular use of the school library and express genuine enthusiasm for the books they discover. This passion for reading is a cornerstone of our educational philosophy.

**Broad Opportunities for Development:** Students at our school benefit from a wide range of opportunities that nurture their individual talents and interests. Their involvement in the school council, eco-council, and various community projects not only develops their leadership skills but also instils a sense of pride in their contributions.

**Effective Governance and Teaching:** The efforts of the trust members and local governing body ensure that our school continuously improves. Members of the trust and governing body have a sharp focus on supporting the school to continue to improve the quality of education for all children.

## St. Elizabeth's Catholic Primary School

**Improved School Attendance:** The report recognises how our effective partnerships with families and developed clear procedures to manage attendance has helped to increase attendance rates as we move towards the national average.

This Ofsted report is a milestone for us, but it is also a stepping stone to further achievements. We remain committed to building on this success and continuing our journey ensuring our children continue to, 'Let their light shine'

We invite you to read the full Ofsted report, which is published on our school website and has been shared on School Jotter, to gain a deeper understanding of our school's strengths and areas for future growth. We appreciate your ongoing support and look forward to what we can achieve together.

Yours sincerely,

Miss Simmons  
Headteacher
