## WEEKLY UPDATE

1st February 2019

Dear Parents and Carers,

The week began on Sunday with a beautiful Family Mass where our communicants joined the parish celebration. Thank you to all those who came along.

On Tuesday the Airport joined Year 5 to deliver a 'What's my Job?' workshop. 8 staff members with varying jobs at the airport such as chaplain, air traffic control and police. The children asked a variety of questions about their role and were very interested in the number of different jobs available.

Year 2 presented their class assembly on Tuesday which focussed on their RE topic of 'Good News'. The children acted out the stories of 'The feeding of the 5000' and 'Jesus cleansing of the ten Lepers'. The children acted and sang beautifully. Well done Year 2.

Manchester was certainly brought to a standstill on Wednesday morning when we woke to the sudden unpredicted snowfall which is so unusual for our area. Again, many thanks for your patience and understanding. The decision to close is never taken easily for any school and always made with the health and safety of all staff and pupils at the forefront of our minds. We were pleased to be able to re-open on Thursday after all gritting had been completed. Many of you may be aware that Mr Braisdell, our caretaker, is absent from school at the moment and we are relying on agency staff to cover his absence along with our staff who have gone the extra mile with gritting, cleaning and maintaining our health & safety standards.

Have a lovely weekend! Mrs L Kelly

## Mrs Williams' Sports News

### Huge Congratulations!

Our basketball players fought hard in all their matches, winning everyone and coming 1st PLACE out of 16 schools. This means they are now through to the Manchester final at Belle Vue Performance Centre on 13th February. Good luck to all the team. BRILLIANT WORK EVERYBODY! Monday night after school Football training is CANCELLED. Apologies for any inconvenience this may cause.

### Upcoming sporting events!

Mixed football at St Paul's on 14th February time 3.30 - 5pm

### Snow Fun!
