WEEKLY UPDATE

8th February 2019

Dear Parents and Carers,

What a busy week it has been here at St. Elizabeth's with so many extra learning opportunities!

Our digital leaders started off our week by leading an assembly with a focus on 'Keeping safe online' as Tuesday was national Internet Safety Day.

As part of our Multi-faith teaching Year 5 visited the Synagogue in Cheadle which is the house of worship for Mrs Lurie, one of our school Governors. She was very impressed with their impeccable behaviour and engagement. They had lots of interesting questions for her too!

On Tuesday we welcomed Mrs Lurie into school to talk to the children about some of the traditions and customs of Judaism. Mrs Lurie explained the special Friday evening meal Shabbat which welcomes the Sabbath and the special festival of Passover. She was very impressed with the children's knowledge and what they had remembered from her previous visits. We thank her for giving up her time to benefit the children's understanding of different faiths.

This week we have also welcomed visitors from other schools to observe Guided Reading across the school. Reading has been identified as a strength of our school and we have been asked to share our good practice with other schools. The Department of Education has also identified us as a national support school due to the excellent progress and attainment our children achieve year on year. Once again we received many positive comments from the visitors about our children's behaviour and their very positive attitudes to reading. I was very proud of all our children.

Finally, we look forward to another successful Family Disco this evening. Doors open at 6.00pm!

Have a lovely weekend!
Mrs L Kelly

Mrs Williams' Sports News

In preparation for the upcoming basketball finals there will be training for Year 5 and 6 on Monday and Tuesday evenings until 4pm. Good luck for Wednesday everybody!

This afternoon some of our Year 3's, 4's and 5's are taking part in a swimming gala and we look forward to hearing about their success.

As always, a big thank you to all parents for your support with all our sporting events.

BBC Live Lessons—500 Words 2019

Yesterday our Year 3, 5 and 6 children were invited to be the audience of a live literacy lesson at the BBC. The author's Frank Cottrell-Boyce and Charlie Higson led the lesson. The children were involved in creating a 500 word short story.

The rest of us watched it live back at school and we were very impressed by the children's creative ideas. A huge surprise for the children was that a special guest was invited to read the final story none other than David Walliams.

If you missed it you can watch a recording of it at www.bbc.com/teach/live-lessons
