Dear Parents/Carers,

RE: School Entrances/Exits

I hope you have all had a lovely Easter break. I am sure you have noticed that both pedestrian entrances are now back in use and that the new EYFS outdoor play area is complete. The children are thoroughly enjoying the challenge and creativity it has provided so far.

I am sure that you will agree that we must work together to ensure that the EYFS playground remains in fantastic condition. It will therefore only be for the sole use of the children in Foundation Stage, under the supervision of staff. The Foundation Stage gates will remain locked and the playground will no longer be used as a cut through to the main playground. We are also no longer able to use the driveway as a footpath due to health and safety concerns.

In order to ensure the safety of all children, parents and visitors, we expect that the below is followed for entering/exiting the school premises:

Main office	enter through the Carling Drive pedestrian gate
Breakfast club	enter through Calve Croft pedestrian gate only
Year 5/6 playground	enter through the Caring Drive pedestrian gate
Year 1,2,3,4	enter through the Calve Croft pedestrian gate
FS parents	FS staff will inform you where your child should be collected and therefore which entry gate to use

Many thanks for your continued support,

Mrs L Kelly
