

Dear Parents/Carers,

Please find below the programme for after-school clubs for the autumn term. If your child would like to take part in any club, you must book and make any payments via ParentPay, with the exception of the Shooting Stars sports. Bookings for clubs are now live on ParentPay. Some clubs have a number limit and places will be given on a first come first served basis. Please note the specific year groups for each club also, children will only be able to attend if the club is for their year group and if they have been booked on via ParentPay. Please ensure that all bookings for the autumn term clubs are made before Friday 6th September. When signed up, children will be signed up for the whole autumn term.

Thank you for your continuing support,

Mrs McLaughlin
