WEEKLY UPDATE

27th September 2019

Dear Parent/Carers,

Autumn has well and truly arrived this week with the more blustery autumnal weather making an appearance. However, the rain has not put a dampener on our week here at St. Elizabeth's.

Year 6 have had a particularly busy week this week with two trips out—one to Blists Hill recreated Victorian Town where they were brought back in time to the Victorian era and one to the Marist Centre where they focused on responsibility.

Children will come home today with a Diocese of Shrewsbury Schools Building Fund leaflet. The Fund is of great importance in helping to maintain the school buildings in our Diocese. The suggested voluntary contribution for Academies is £5 not £15 as stated in the leaflet. If you would like to contribute to this very worthy cause, you can do so on ParentPay or by Direct Debit. Please see leaflet for further details.

Thank you to all those who contributed and attended the Macmillan Coffee Afternoon. Once proceeds have been counted we will inform you of the final figure raised.

Finally, we hope to see you all at the Welcome Disco this evening!
Have a lovely weekend

Mrs J McLaughlin

Harvest

God of the heavens and the earth, You call us to share in the care of your creation and to bring food and fruitfulness from field and farm. Hear our prayer for all who make their living on the land and make us grateful for the work of their hands and for the generosity of your provision. We ask this in the name of Christ. Amen

Mrs Williams' Sports News

Ten Year 4 children are representing our school at the European School Sports Day Flagship Event on Friday 27th September at Sport city indoor track. Congratulations to Josh who was placed 9th in the cross-country and came 12th place over all out of 79 runners. We are very proud of all the children who represented the school and definitely 'Let their lights shine.'

Next week: Tag Rugby, Thursday, 3 October, 3:30 – 5:30pm at MHA. Year 5/6

Article of the Fortnight: As you know, we are now a bronze Rights Respecting School (RRS) and are aiming to gain our silver accreditation this year. As part of this RRS work, we have introduced an article of the fortnight that we will focus on with the children. The article introduced on Monday this week was **Article 12: (respect for the views of the child) Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.** It would be helpful if you could have a discussion with your child/children about this right and ways that they can ensure they respect this right for other children.

Pupil Parliament Update: The Pupil Parliament have now decided on their specific jobs for the year. We have a range of positions from website updaters, action team developers, staff/governor updates and many more. At our first Class Meeting this week, the whole school voted that they would like to improve our whole school behaviour when lining up and moving around school. The Pupil Parliament are currently working hard to think of ways we can make this happen.
