WEEKLY UPDATE

14th February 2020

Dear Parents and Carers,

Many thanks to those who came along last Friday night to our family disco. It was lovely to see so many families enjoying themselves and the children dancing the night away.

On Monday we welcomed Footlights theatre company into school who preformed 'Wifi' to KS2. The children were very engaged by the story which helped them to reflect on their internet use and how they can ensure they are safe online.

On Tuesday we were very fortunate to have John Stubbs visit our school. He gave a very inspirational talk about how an accident changed his life forever and all his achievements in Archery so far. We will be following his participation in the Paralympic games in Tokyo this Summer. All the children completed the circuit on Thursday. Please remember to bring your sponsorship form back into school.

Year 4 enjoyed a visit to the Marist Centre this week. The theme of the retreat was 'hands.' During the day the children visited different rooms to reflect on love, hope, peace and friendship. They talked about what Jesus did with his hands and what we can do with ours.

Miss Dwan is having a fantastic time teaching in Uganda, we cannot wait for her to return and tell us all about her trip.

Today we gave Mrs Duffy our usual St. Elizabeth's send off with a special assembly. We wish her lots of luck in her new role at St. Anthony's!

Finally, we'd like to wish you a very happy half term. We look forward to seeing our children back in school on Monday 24th February.

Have a lovely weekend! Mrs L Kelly Miss E Simmons

St Valentine

Whilst in prison, he fell in love with a jailer's daughter. When he was taken to be killed on the 14th February he wrote a love letter to her and signed it, "From your Valentine."

This is how the name 'Valentine' was born. Saint Valentine loved God so much he gave up his life for him.

Saint Valentine, pray for us.

Right of the Fortnight

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.
