Mrs L. M. Kelly, B.Ed.

27<sup>th</sup> March 2020

Dear Parent/Carers,

As we have come to the end of our first week of learning at home I just wanted to touch base with you all.

God has been kind to us in these trying times by sending us beautiful weather and I hope you are all enjoying the sunshine. This is a wonderful opportunity to get outside for your learning as I am sure there will be weeks ahead when we are unable to get outside.

### **Tapestry**

It has been lovely to see all the fun learning that has been taking place at home this week and by the time we all come back to school I am sure we will all be so much fitter if Joe Wicks has anything to do with it! It has been lovely to hear that families are getting involved in this daily workout together.

### **Gold Award**

Throughout this time we are still aiming to award a 'Gold Award' winner based on some of the learning that has taken place throughout the week so please keep letting us know what the children have been up to via tapestry or other platforms that we have in place. Please view 'Peek at the Week' on jotter to find this week's winners.

### **Toilet Roll Challenge**

Thank you to Mr Knight for suggesting the toilet roll challenge and congratulations to Sam Dean the first pupil to take up the challenge. A wonderful effort Sam!

I would also like to thank all the staff who are working hard to provide ideas, challenges and words of encouragement to keep our children going.

### **Clap for the NHS**

It was very humbling last night when the whole of the UK seemed to stop and applaud the fantastic NHS and care workers who are working so hard on the frontline dealing with the coronavirus pandemic. We have many parents who are key workers and we thank you for all that you are doing. You are all truly amazing.

Finally, I would like to thank all of our parents for your support in following the advice to keep your children at home. By following the guidelines to limit our outings, social distancing and continually washing our hands we are all doing our bit to help limit the spread of the virus.

Have a lovely weekend in the sun and keep safe everybody.

Mrs L Kelly  
Headteacher
